where the following suffixes may be added:

- M = white package
- S = surface mount
- V = VDE Certification
- R2 = tape and reel 1000/reel
- T = 0.4 inch lead spacing

The subject components are Component Accepted as components for use in other Certified equipment where the suitability of the combination shall be determined by CSA International.

The components covered in this report actually all have a white package.

APPLICABLE REQUIREMENTS

Component Acceptance Notice No. 5A - Announcement of Extension of the Component Acceptance Service for Optocouplers and Related Devices.
